करने का अवसर प्रदान करती है और यह अपेक्षा करती है कि सरकार पूरी ईमानदारी और कर्तव्यनिष्ठा के साथ अपने दायित्वों का पालन करेगी। लेकिन कालान्तर में अधिकांश राष्ट्रों में भ्रष्टाचार बढ़ता गया। भ्रष्टाचार करने के लिए जनविरोधी और अलोकतांत्रिक तरीकों को अपनाया गया। लोकतंत्र में मालिक होने के नाते जनता को यह जानने का पूरा अधिकार है, कि जो सरकार उनकी सेवा में है, वह क्या कर रही है। डॉ. ठाकुर ने मनदीप सिंह एवं वरुण गोयल का कॉलेज पहुंचने पर हार्दिक धन्यवाद किया और ऐसे जानकारी भरपूर आयोजन के लिए रैड रिबन क्लब की सहानुभूति की।

NEP has implemented a number of corrections and enhancements in order to have a practical and understand long-term influence on the country's higher education environment. The most important suggestion of NEP, 2020 is to transform higher educational institutions (HEIs) into major interdisciplinary universities and HEI groupings. Higher education will no longer be fragmented as a result of this. This initiative is inspired by the ancient Indian universities of Takshashila, Nalanda, Vallabhi, and Vikramshila, which attracted thousands of students from all over the world to study in a lively interdisciplinary environment. This shift will focus at restoring the rich Indian heritage of producing skillful and inventive human beings.

PROCEEDINGS

NAAC Sponsored One Day National Seminar On Transformation in Higher Education: Implementing NEP 2020

NAAC sponsored National Seminar on "Transformation in Higher Education: Implementing NEP 2020" organized on 11th March, 2023 by PG Department of Business Management and Commerce in collaboration with IQAC at Guru Nanak College Killianwali. The introductory address was delivered by Dr. Surinder Singh Thakur, Principal and brief introduction of the seminar was given by Mrs. Usha Goyal, Convener of the seminar.

National Seminar was inaugurated by Chief Guest, Prof. (Dr.) Rajesh Bansal, Registrar Chaudhary Devi Lal University, Sirsa. Speaking on this occasion he emphasized that, "The New Education Policy will remove the shortcomings of our old education policy and make the Indian youth capable in today's competitive era and lead them towards a golden future". Highlighting the key points of NEP, he discussed in detail it's student-centric, inter-disciplinary nature, research and employability.

Prof. (Dr.) SK Gahlawat, Dean Academic Affairs, Chaudhary Devi Lal University, Sirsa delivered the keynote address by describing the New Education Policy as full of flexible features. According to him, every student has his/her own interests, he/she understands the matter quickly in mother tongue, skill development and research is the biggest need of today's time, NEP fulfills all these expectations. He described this value-based education policy as best suited for the present competitive era, but the most important thing is its proper implementation.

Dr. Lakhvir Singh, NAAC nominated resource person, joined the online program and presented his views on NEP. He tried to explain in simple language the concepts of credit based system, certificate, diploma, degree course, academic bank of credit etc. mentioned in this policy. He also cautioned that we teachers and higher education institutions have to prepare ourselves for this quick change.

The second Resource Person, Dr. Anand Bansal, while giving a comparative presentation of the current education policy 2020 with the education policies of 1968 and 1986, declared NEP to actually liberate our education system trapped in the clutches of Lord Macaulay, because it teaches the student the mother tongue.

The Third Resource Person Dr. Bali Bahadur presented the inclusive approach of NEP through his power point presentation. Throwing light on the education systems prevalent in ancient, medieval and modern times, he prominently raised the ill-fated attempts by the British to destroy our Gurukul-based education system during the colonial period. Presenting informative data

For the same purpose, Government sanctions scholarship to the eligible students.

During test check of records, it was noticed that an amount of Rs.289558/- on account of Post Matric Scholarship Scheme for SC students as detailed below was not disbursed to the eligible students so far.

Sr. No.	Period	Name of Scheme	Fund received	Disbursed	Balance
1.	2014-15	Post Matric Scholarship Scheme for SC students	356186 289558 645744	+ = 	356186 289558 289558

Non-disbursement of the same had deprived them from their intended benefit. Therefore, the same may be justified to audit.

On being pointed out by Audit, the Department replied that the scholarship will be disbursed as soon as the list of students is received; otherwise the same amount will be refunded to the funding agency. Since the amount has not been disbursed due to non receipt of list of SC students. As such, the amount needs to be returned by the college to the funding agency instead of keeping the amount ^{with} itself as the new rules provides that amount will be deposited directly by the department of Welfare to the accounts of the beneficiaries. Final compliance is awaited.
