Proceedings  
 The meeting started with the minutes of previous meeting held on 8th October in which the principal is asked the staff members to furnish the full record of their activity registers.  
 While keeping the Covid-19 protocol the staff members were directed to wear masks & keep the social distance so that the students followed the example of their mentors. Mentors are directed to give message to students not to come to college if anyone feels sick & wear masks & use hand sanitizers. Teachers were further directed to keep a register in which the problem of students could be recorded by the Mentors.  
 The staff members were further directed to maintain discipline in college while checking the corridors and class rooms in their vacant periods.  
 First five chapters of NAAC were read carefully by the Principal & checked & edited properly by giving more description. It was again directed that all the staff members should be very actively perform the activities of their respective subjects & cells. 100 activities should be the part of one session till 31st March & involve maximum students. NAAC will

direct all the departments to boost up <sup>the</sup> more activities even after 100 activities completed in one session.

This year the performance of students in youth festival was not upto the mark perhaps due to the lack of time, money or the sincere efforts of staff members. No dedication was seen in it.

The staff members were directed to make a detailed report of their activities in P.D.F. form along with the outcome of their activities.

By keeping the norms of Covid-19 protocol, it was decided to have assignments of students instead of arranging House Examinations.

An average of 90% syllabus of students was covered by staff members till today of U.G. classes + an average of 85% of P.G. classes.

It was directed to the mentors of B.A. + B.com III classes to make new members of Alumni by getting the forms duly filled by the students of outgoing classes and also keep a record of the students who are in jobs now or studying in higher education courses.
