Final class of SSD Girls College, Bathinda, on the topic "Increase in Immigration vs. Decrease in Entrepreneurship" by Mr. Ashish Bagla, Assistant Professor in Commerce, Guru Nanak College Killianwali. The theme of the lecture was based on present trends in the Attitude of people towards going abroad rather than living in own country i.e. India is getting pace and there has been significant economic loss to India for the Immigration. Further, it was pointed out that Punjab alone contributes 60% of total immigrants moving outside India. Further, the latest data showed that the past average of 85,000 people moving abroad, reached at more than 1,00,000 people during 2019-2020, and the numbers are getting increased day by day. Stress was given on maintaining talent of young people in India itself rather than sending them abroad for economic independence and change in mindset. Families should make their children clear that our thinking can change our lives as well as nation. The organiser thanked and appreciated these efforts. Around 60 students attended this lecture.
