INSTITUTIONAL DISTINCTIVENESS 2022-23

The vision of the Institution is, to provide quality education for the all round development of the youth from socially and economically deprived section of rural as well as urban area. Institution consistently inspires students and provides platform for Entrepreneurship development. Career Counseling and Guidance Cell is established to motivate and guide students for various job oriented competitive examinations. To facilitate this objective, Cell has planned the activities to ensure the participation of the students in the events of their interest. During academic year 2022-23 various campus Interview for different Companies were conducted by the cell, about 212 students have participated in this event and total 27 students were given Letter of Intent and 50 students were kept on hold for second round for which they would be called by respective companies. The Career Counseling and Guidance Cell was founded with the following objectives in mind:

1. The main objective of counseling is to guide. Due to a lack of knowledge and guidance, you might pick up a course that may not align with your career goals. This is where career counselor help.
2. The counseling will help you make decisions by giving you information about the chosen career route.
3. It provides special insights that advance your professional development on a personal level.
- 4 . It also helps you alter your behavior and become more productive all around.
