Then the next agenda of Environment classes was discussed that it was yet to decide when to start these classes, most probably from 15th May then classes would commence & it was directed by Principal, sir that a full record of these classes should be maintained by Academic Committee.

Then the syllabi of all the classes was discussed. An average of 50% syllabi was covered of all the classes.

The publication of magazine was also discussed in this meeting but due to the less number of articles collected from students, this matter was pending and asked all the subject editors to collect more articles by motivating students to show their creativity.

The agenda of House Tests was also pending. It was yet to decide when would the House Tests commence. It depends upon the schedule of Panjab University Chandigarh, so the matter was pending.
