1. Description:

Internet has revolutionized the world of education. Thanks to this facility, students today have a more affordable opportunity to boost their education. Internet facility in a college is provided based on assessing the requirement and also understanding the need to support the teaching and learning process. This is meticulous with respect to advancement in technology and to ensure our students are well aware of the technologies prevailing in the market. Students need internet to search for information related to exams, curriculum, results, etc. They also follow these steps to achieve success in their life. Our college provides internet facility of approximately 50 Mbps in the campus in different places as in College Library, Computer Laboratories, Office and IQAC room.
