3. No authorization of CBCS

The syllabus is designed by Panjab University Chandigarh in accordance with their rules and regulations, and the college only implements the syllabus in accordance with those rules, hence the college lacks the authority to add CBCS. The college lacks the autonomy to begin it because Panjab University Chandigarh has not yet implemented it in its affiliated colleges. Given that the National Education Policy 2020 includes a provision for a choice-based credit system, the institution will begin a choice-based credit system with the necessary safeguards as soon as Panjab University Chandigarh implements this system.
