1.	Some students felt that their performance in the assignments was not discussed in the class in adequate manner.	In the staff meeting, the Principal advised HOD's and other staff members to give personal attention to individual students and discuss their assignments with them and also advised to provide the appropriate remedy to the concerned students for their better performance in exams. The Principal directed all HOD's to put stringent efforts for the better performance of all the students. It was also directed to the mentors that they should continuously interact with their mentees to ensure that the problem has been resolved. The Principal also directed that the results and remarks of the assignments must be communicated to the students through WhatsApp groups also.
